

# Eastern Health

## POSITION DESCRIPTION

<b>Position Title:</b>	Cardiac Physiologist – Echocardiography
<b>Award Classification:</b>	Cardiac Physiologist, Grade 3, Years 1-4
<b>Award / Agreement Name:</b>	Health Professionals
<b>Position Reports to:</b>	Chief Cardiac Physiologist

### EASTERN HEALTH – HEALTHIER TOGETHER

Eastern Health is one of Melbourne’s largest metropolitan public health services. We provide a comprehensive range of high quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care, community health and statewide services to people and communities that are diverse in culture, age and socio- economic status, population and healthcare needs

## 1. POSITION PURPOSE

The successful applicant must have extensive experience, and willingness to oversee student sonographers, in the following modalities.

- Transthoracic echocardiography,
- Exercise and dobutamine stress echocardiography, and
- Assistance with transoesophageal echocardiography, and
- Training of student sonographers, including Cardiology registrars.

Where suitably experienced, the successful applicant is also required to perform technical duties and assist with teaching of junior staff in the following modalities when required –

- 12 lead electrocardiography,
- Ambulatory Holter and event monitoring,
- Pacemaker and defibrillator device implantation, interrogation and analysis,
- Cardiac catheterisation, and
- Emergency on-call duties.

The successful applicant must also display the following –

- Willingness to participate in the Cardiology Department education roster
- An ability to assess the urgency of procedures and prioritise duties,
- Willingness to comply with Cardiology Department procedures and regulations, and
- Very high standards of technical practice, interpersonal conduct, and patient care at all times.

## 2. MAJOR DUTIES AND/OR RESPONSIBILITIES

- Perform technical duties, including recording, monitoring and analysis for the Cardiology procedures described above.
- Recognise clinically significant results and report to the reporting Cardiologist or supervising doctor.
- Practical training of junior cardiac physiologists, registrars and nursing staff in Cardiology procedures described above.
- Be aware of sterile practices and infection control procedures.
- Maintain a high standard of patient care.
- Maintain a close liaison between medical, technical and other members of staff involved in the health care team.
- Seek the advice of the Chief Cardiac Physiologist to resolve problems arising within the Cardiology Department.
- Attend and participate in staff education forums, in-services and ongoing educational programs.
- Participate in professional development activities to ensure knowledge, clinical skills and expertise are current.
- Utilise resources in a cost effective manner.
- When requested by the Chief Cardiac Physiologist, undertake additional duties not in contrast with the terms of appointment and award.
- Travel to sites within Eastern Health to perform Cardiology procedures.

### **3. SAFE PRACTICE AND ENVIRONMENT**

#### **Occupational Health and Safety**

Eastern Health is committed to provide and maintain a working environment for all staff that is safe and without risk to health. All staff are to take care of their own health and safety and the health and safety of any other person who may be affected by your acts or omissions at the workplace. Understand responsibilities and accountabilities to yourself and others in accordance with OH&S legislation and Eastern Health policies and promote a working environment that is congruent with these guidelines. This includes staff reporting of all clinical and OHS incidents and near misses, in particular those related to Occupational Violence, Manual Handling and Slips, trips and falls.

Staff are required to comply with all state legislative requirements in respect to the Occupational Health and Safety Act 2004 and the Workplace Injury Rehabilitation and Compensation (WIRC) Act 2013.

### **4. TRAINING AND DEVELOPMENT**

Relevant, practical and timely education should direct, facilitate, enhance and support the professional growth and practice of employees in a health environment characterised by change. All programs should endeavour to promote evidence-based practice, a problem solving approach and to be competency based.

You are expected to participate in the personal development process on an annual basis.

### **5. QUALITY**

As a staff member of Eastern Health staff are required to comply with Eastern Health performance standards and participate in continuous monitoring and improvement as part of your role. You are also required to comply with legislation, professional standards and accreditation standards.

As a staff member employed by Eastern Health services you must have and maintain the appropriate skills and knowledge required to fulfil your role and responsibilities within the organisation. In addition, you must ensure that you practice within the specifications of this position description, and where applicable within the agreed scope of practice.

You are responsible for ensuring safe high quality care in your work. This will include complying with best practice standards, identifying and reporting any variance to expected standards and minimising the risk of adverse outcomes and patient harm. In addition, you will ensure that service and care is consistent with the EH approach to patient and family centred care.

### **6. CONFIDENTIALITY**

Any information obtained in the course of employment is confidential and should not be used for any purpose other than the performance of the duties for which the person was employed. Staff are bound by the Information Privacy Act 2000 and the Health Records Act 2001.

### **7. EQUAL EMPLOYMENT OPPORTUNITY**

You agree to adhere to the Equal Employment Opportunity policies and practices of the Health Service. Discriminatory practices, including sexual harassment, are unlawful. The Health Service will not tolerate discriminatory behaviour and any such conduct may lead to the invoking of the Disciplinary Policy and Procedure, which may result in termination of employment.

## 8. PERFORMANCE DEVELOPMENT

A Performance Review, that includes agreed targets, will occur three (3) months from commencement and then annually on the basis of the duties and responsibilities outlined in this position description. This is an opportunity to review personal and the allocated work unit's service performance, facilitated by the setting of objectives/goals and ongoing evaluation of performance and achievement. Objectives will be developed annually, documented, discussed and agreed with the immediate line manager, who will act as the assessor. The incumbent is expected to demonstrate and show evidence annually of on-going self and allocated work unit's service development.

## 9. EASTERN HEALTH'S PROMISE

Our promise to our communities, patients, consumers and staff is that we will be **HEALTHIER TOGETHER**. Bolder than a vision for the future, our promise calls us to action. We know that working together is the only way we can achieve what is necessary for a healthier future.

Our values are ones in action and are the behaviours that matter most.

- Respect for all
- Safe always
- Partnering in care
- Learning and improving everyday

Learning from the challenges of the past and looking to the future, we understand that we are building towards a more engaged, more reliable, always safe health service in partnership with our people to improve every day.

## 10. ATTACHMENTS

- Attachment 1 Key Selection Criteria

## 11. NOTE

*Statements included in this position description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all-inclusive.*

*Prior to accepting any offer of employment, prospective employees will be required to read and commit to the Eastern Health Code of Conduct, including (but not limited to) issues of Occupational Health and Safety, Equal Opportunity and Confidentiality.*

*Vaccination against infectious disease is a mandatory requirement of this role. An offer of employment is conditional on you providing evidence that you are currently vaccinated against COVID-19, prior to commencing employment.*
